SECTION 3 - DESCRIPTION OF SERVICE & RATES, (CONT'D.)**3.14 Institutional Operator Assisted Calling****3.14.1 General**

Institutional operator assisted service allows Inmates to place Collect Calls through an automated call processing system. The call processing system prompts the Inmate and the called party such that the call is completed without live operator assistance. Calls are placed on a collect-only basis to the called party.

A number of special blocking and screening capabilities are available with institutional operator services provided by Legacy. These capabilities allow Institutions to control Inmate access to telecommunications services, reduce fraudulent use of the Company's services, and eliminate harassing calls to persons outside the Institution.

For services provided to Inmates of Institutions, the following special conditions apply:

- (A) Calls to "900", "976" or other pay-per-call services are blocked by Legacy.
- (B) At the request of the Institution, Legacy may block inmate access to toll-free numbers (e.g., 800, 888) and dialing sequences used to access other carriers or operator service providers (e.g., 950-XXXX, 10XXXX).
- (C) At the request of the Institution, Legacy may block Inmate access to "911", "411", or local operators reached through "0-" dialing.
- (D) At the request of the Institution, Legacy may block Inmate access to specific telephone numbers.
- (E) Availability of Legacy's service may be restricted by the Institution to certain hours and/or days of the week.
